

Long Outfitting Lodging List

Staying Here

Long Outfitting does not have specific package arrangements that include lodging. We try to help all of our clients find appropriate lodging arrangements once we figure out the dates of your trip. Please let us know if you are looking for an all-inclusive lodging deal, B&B, hotel, VRBO, or a cabin on the river. Oftentimes, we try to pick up clients at the location which they are staying, whether you are staying in Livingston, Bozeman, Gardiner, Big Timber, Big Sky, or Emigrant. This arrangement doesn't always work based on where you are fishing for the day, so when it doesn't, we will arrange ahead of time where you will be meeting your guide. This location is typically at a local fly shop, just in case we need to pick up some last minute flies or licenses.
